BIOGRAPHY

Are you into building with Legos, dressing up like super heroes, and playing video games? Well, you & Jacob have tons in common! And if you get bored with any of that, Jacob will show you how to make your own toy demonstration videos, swim, or play the drums! Jacob is an advanced student who really enjoys music. Currently on rotation at his house, is the musical *Hamilton*, where you can always find him singing along. Jacob loves to make people laugh, and you'll always find him wearing a smile too!
