Impossible Casting NY

John is an American actor known for his roles in "Knight of Quixote" and "Murder Comes to Town" . Although John is known primarily as a character actor of dark, villainous types he has shown his versatility in such roles as Bobby Bennett, a fast-talking TV pitchman, a Shaman in the NatGeo series, "Origins" and as God in the indie short film "Endgame" While studying acting and drama at Wright State University in his hometown of Dayton, Ohio John was active in community theater productions as well. Some of these
