SPECIAL SKILLS:

Ella is a middle school student who excels at academics and sets high standards for herself. She is able to memorize and retain information extremely quickly. Her passions include musical theater, singing, acting and volleyball. She has a huge personality and works well with others. Teachers and directors often comment on what a joy she is to work with. In elementary school, she was a 4.0 student, a member of DMS (Distinguished Math Scholars), NEHS (National Elementary Honor Society), FCA leader, and involved in the broadcast team, dance team and chorus.
