Interests

Titus is very eclectic. He loves to get outside and play hard with his brothers. He will blast Nerf guns, race Razor scooters, climb trees, and toss the ball around all day if given the opportunity.

On the other hand, he likes to bring the fun in by pulling the games out! He is a big fan of card games like Pokémon and Monopoly Deal, and he is a lover of retro gaming. Donkey Kong on the Super Nintendo is one of his favorites!

In addition, he enjoys putting on costumes and pretending he is Darth Vader, Spiderman, or a secret ninja. Other times, he likes to pull out his microphone and sing his heart out.

In school, Titus loves Science and participates in LEGO Club.
