PTD / Lily Licata  
Barbazon  
America's Best Pageants

Terre Haute South  
Improv/Runway/Commercial/Swimwear  
Modeling/Acting/Makeup  
Modeling/Makeup

## Special Skills

Volleyball is my favorite sport. I've played volleyball at the rec center for 2 years and was on a COA training team in middle school. I know how to pass/set/hit and serve.

I love being on stage. It started in grade school. I was fortunate enough to have a kindergarten teacher who believed in getting kids in front of an audience at an early age and we put on several plays and a talent show. In middle school I moved up to plays at the Community Theater of Terre Haute summer workshops and the Performing Arts Workshop at our High School. I also began modeling in America's Best Pageants. It gave me the bug to pursue modeling and I discovered Barbazon. After graduating from their training I went on to PTD and won the Improv for my age group! I also received honorable mentions for Commercial/Runway and Swimwear.

I mention my grade school being the start of it all. Hula hoops were popular in our talent show. While others got on stage and hula hooped, I choreographed an entire routine to the song Roots. I used multiple hoops-not only hooping on my waist but I also moved them to my arms and legs, tossed them in the air and I did a cartwheel while hooping for the big finale! I became the 'Hula Hoop Queen' of my grade school.
