## Special Skills

I've taken dance classes since age 6, including ballet, tap, jazz, musical theatre (trained by Broadway dancer Gail Benedict), and more recently Kpop. I play ukulele (proficient) and guitar (basic chords). I am a singer (tenor) and specialize in musical theatre. Other skills include improvisation, weight lifting, roller skating, yoga and swimming. I am also a professional drag queen taught by Dusty Ray Bottoms. I did the Disney College Program which was the ultimate training in "acting" while dealing with difficult situations.
