**AGELESS MAGNETISM - ONE DETERMINED WOMAN WITH EQUAL PARTS NURTURER & POWERHOUSE...**

The moment I saw Julie's audition tape for the role of the shaman, I knew she would deliver! She made me believe that the magical journey that our protagonist, Delilah, was about to embark on was real.

## About Me

Award-winning actress with 21+ years of experience, some say Julie embodies the essence of Anna Gunn (*Breaking Bad*). Like Gunn, she's as comfortable playing resilient moms and caretakers as she is embodying sophisticated professionals, bringing magnetic heart and perseverance to every role.
