MODEL / TALENT

Dear Sir or Madam

I'm excited to step into the modeling industry after more than 20 years as a hairstylist, where I've built a career rooted in creativity, confidence, and a love for beauty. I bring an easygoing and positive personality, along with a willingness to adapt my look for the right opportunity. Modeling is something I never had the chance to pursue growing up, but now I'm ready to explore it with enthusiasm and an adventurous spirit. With strong support at home and a genuine excitement for trying something new, I'm eager to see where this journey leads.

Best Regards

Jaclyn Billington
